

March 28, 2008 Special Called Meeting for Bell Buckle Board of Mayor and Aldermen to discuss Property Ordinances, Hiring a Municipal Judge, and Review of terms of Town Attorney Agreement. Those present were Mayor Webb, Aldermen Hunt, Felices and Reagor. Alderman Anderson was absent.

Mayor Webb reported that the Property Ordinances were not ready to pass. The junk cars area was not clear. This was deferred until the April Board Meeting.

Alderman Hunt, seconded by Alderman Reagor, made a motion to approve hiring Bill Haywood from Lewisburg as Municipal Judge for a fee of \$300 per session. All Aye.

Mayor Webb stated that he had spoken with Attorney Evan Cope. Mr. Cope understood that we have enjoyed working with him and that Mr. Greg Perry is interested in increasing his knowledge of municipal work and will work for a much lower rate in pay. Alderman Reagor, seconded by Alderman Hunt, made a motion to approve hiring Greg Perry with Keeton Perry Law Firm in Manchester to be the Town Attorney effective immediately. This will be at a rate of \$75 an hour with negotiable rates on contracts.

There being no further business, meeting adjourned.
